## **Local Youth to Display Art at 78<sup>th</sup> Street Studios**

Project Will Beautify W.83<sup>rd</sup> Street Homes Affected by Explosion

Windows Into the Community, a collaborative public youth art project taking place in the Detroit Shoreway neighborhood, will debut Friday, May 21<sup>st</sup> at 78<sup>th</sup> Street Studios (1300 West 78<sup>th</sup> Street) from 5:00 to 9:00 p.m. Admission is free.

This exciting and innovative project is helping to promote positive youth development and pride for our community. Windows Into the Community is a joint collaboration between Building Bridges, R.O.C.K. (Respecting Our Communities and Kids) and Detroit Shoreway Community Development Organization in conjunction with four local schools: Joseph M.Gallagher School, Urban Community School, Our Lady of Mount Carmel School and Metro Catholic School.

The students have cooperatively painted boards to install on the windows of homes that have been affected by the W. 83<sup>rd</sup> Street explosion. This project is an innovative approach in response to Cleveland's efforts toward community beautification and how local neighborhood youth can have a positive and creative impact on their community.

This art show will be featured as part of the 78th Street Studios building-wide monthly Third Friday art event. The art show will be held on Friday, May 21st on the first floor of the 78<sup>th</sup> Street Studios from 5:00 p.m. until 9:00 p.m. We look forward to you joining us!
